Education

- **National Institute Of Technology, Kurukshetra** **2026**
B.Tech in Computer Science & Engineering CGPA: 7.7
- **Sainik School Ambikapur, Chhattisgarh** **2022**
Board of Intermediate Education, Chhattisgarh Percentage: 86.6
- **Sainik School Ambikapur, Chhattisgarh** **2020**
Board of Secondary Education, Chhattisgarh Percentage: 92.4

Projects

- **Pizza Ghar**
website about online Pizza shop
— Tools technologies used: **HTML, CSS, JavaScript**.
— Developed a fully responsive personal portfolio website to showcase my skills and projects. The site features a clean, modern design with interactive elements to engage visitors and highlight my work effectively.
- **Smart Alarm**
Constructed designs that could be integrated into devices for practical use
— Tools technologies used: **Tinkercad**
— Designed a custom mechanical part prototype using Tinkercad for a DIY electronics project. The aim was to create a precise and functional component that integrates with existing hardware.
— 3D Modeling: Utilized Tinkercad's design tools to create a detailed 3D model of the part, incorporating precise measurements and functional features.
Received positive feedback for the accuracy and effectiveness of the design from project reviewers
- **Fitness Club**
website on Fitness Club
— Tools technologies used: HTML, CSS, JavaScript, php, MySQL.
— Developed a dynamic web application for managing user accounts and content using HTML, CSS, JavaScript, and PHP. The application provides a robust platform for user registration, login, and content management, with a focus on security and responsiveness. Enhanced user experience and engagement by integrating interactive features and responsive design

Technical Skills and Interests

- **Programming Languages:** C, C++, Java, Python, JavaScript, PHP, Bash Script
- **Frameworks:** Spring
- **Databases/Cloud:** MySQL, MongoDB
- **Soft Skills:** Effective Communication in English, Hindi
- **Areas of Interest:** Java, Databases, RDBMS, Web Development

Positions of Responsibility

- Active Team Member, College Football Team, Kurukshetra, Haryana

Achievements

- Second Runner-up in Football event at Aarohan, IIT Ropar
- Secured Finalist position in Smart India Hackathon

Skills and Interests

- Languages: English, Hindi
- Football, Movies (Hollywood)
